

3. Registration for BMC-Upper Spring 2018 for CONTINUING STUDENTS

<<The following registration process is only applicable to currently enrolled BMC-Upper Students for Fall 2017. New or returning students must complete a separate application, to be announced later.>>

To register for BMC-Upper Spring 2018 as a continuing student:

- Bring a check written out to “United Math Circles Foundation” for \$185, with the name of student on the subject line.
- The check must **arrive at BMC by December 5, by 8pm, in Evans 714.**
- The best way to ensure receipt of the check is to deliver in person, to Evans 714. Bring an envelope, clearly labeled

“BMC-Upper Spring 2018 Registration

Student’s Name:.....”

and slide in under the door of Evans 714 if we are not in the office.

- **December 5, 8pm is a STRICT deadline**, after which we will no longer accept any checks for continuing students.

a. For financial aid recipients

- If you have been approved for financial aid from BMC-Upper, submit a notice of intention to register for spring 2018 in place of the check, observing the strict deadline of Dec 5, 2017.
- Your financial aid will be canceled after this deadline.

b. For students who wish to move up to a different BMC group in spring 2018

- Along with your check, you must submit a note to CONVINCE us using independent mathematical evidence.
- Your mere opinion of “I already know everything” or “Everything was easy” is insufficient.
- Examples of evidence are your high achieving AMC scores, your consistently excellent performance at the Monthly Contests...
- We rarely move students up from the fall to spring, and all such moves are by invitation initiated by BMC Staff.

In short:

- **Your check must arrive at Evans 714 by December 5, 8pm.**
- **This is separate and different than the registration for MTRW Spring 2018 (on Mondays).**
- **Make sure you clearly label your envelope to avoid confusion.**
- **New or returning students (your friends and neighbors who are NOT currently enrolled) will have to go through a different application process, to be posted on the website soon.**
